Free Community Informational Fair

**May 21,
2014
8 am to 5 pm**

**Levelland
City Hall
1709 Ave H**

Private Water Well Users

Bring a sample of your water well in a small jar or container to city hall and we will test it for nitrates for free (you do not have to be a citizen of Levelland for this free test). Limited to first 60 individuals.

Also learn how to:

- maintain a private water well
- disinfect your water well
- test your water well
- close an abandoned water well

Come watch the power of electricity.  **Xcel's demonstration trailer will be at City Hall between 11 am & 1 pm**

Learn interesting facts about:

- Levelland water department
- Levelland wastewater department
- Levelland streets department
- Levelland sanitation department
- Water conservation
