## Program Summary:

The City of Levelland's home rule Council-Manager form of government was originally adopted in a City Charter election in 1948 and implemented in 1949. Operating within the context of the City Charter the Council is responsible for appointing the City Manager, City Attorney, Police Chief, and Municipal Court Judge.

The City Council is the policy making body of the city government, exercising those powers granted by the City Charter, State law, and the State constitution. The Council provides legislative leadership in establishing ordinances, resolutions, and policies to enhance an efficient and effective administration of the City Departments to ensure that all citizens are provided with an equitable level of quality services; to further the orderly development of the City; and to promote the safety and welfare of its residents. All of this is done within the financial guidelines established in the Annual Budget that Council adopts.

## Program Summary:

The Municipal Court provides for the disposition of misdemeanor criminal, traffic, and code of ordinances cases. These are cases arising within the jurisdiction of the City of Levelland under the laws of the State of Texas and the Code of Ordinances where the penalty does not exceed a maximum established by State law.

The Municipal Court Judge is responsible for levying and collecting fines, maintaining Court dockets, issuing warrants, conducting trials, preparing reports, and handling other matters necessary for the operation of the office and ensuring that all citizens are justly treated within the scope of the laws. The Judge hears criminal cases that are Class C misdemeanors including traffic violation cases and city ordinance violation cases. Accordingly, the Judge is responsible for imposing penalties, monitoring defendant compliance, and working closely with law enforcement, probation officers, and other city officials. The Department's goal is to provide for the efficient, effective and equitable disposition of charges filed in the Municipal Court to ensure the safety and quality of life for the community.

## Program Summary:

The Fire Department provides fire prevention and suppression services necessary for the protection of lives and property within the City of Levelland, in the unincorporated areas of Hockley County under a contract, and to other communities through Mutual Aid Agreements. The Department is made up of eight full time paid personnel and up to twenty-five volunteer firefighters.

The Fire Department responds to fire alarms for residential, business, and industrial concerns; rural structural and grass fires; and other locations that fire fighting or rescue services are needed. In addition to these responsibilities an active fire prevention program is maintained which includes regular inspections of schools and businesses, demonstrations of rescue techniques, and public education. Other duties include the maintenance of all fire fighting equipment and vehicles, plus conducting a training and educational program for full-time and volunteer personnel.

The Department's overall mission is to provide a high level of service through effective educational and prevention programs and to minimize the loss of life and property through rapid and effective responses to emergency situations.

## Program Summary:

The Police Department provides routine law enforcement activities to protect life and property through enforcement of State laws and City Ordinances through a combination of proactive, reactive and community policing techniques. It also provides communications services including dispatching for the Police department, Fire department, Sheriff's office, Department of Public Safety, ambulance service, 911 service, and other communities as needed. The other area of service encompassed within this department is Animal Control which provides enforcement of animal control ordinances, catching animals running at large in violation of the ordinances, investigating rabies cases, and picking up dead animals.

The Police Department is the largest department within the City organization in terms of personnel due to the 24-hour a day nature of its operations and it is headed by the Chief of Police who is charged with the planning and management of the department. The Chief of Police evaluates the law enforcement needs of the community and plans the activities of the department in a manner which will enhance the service provided and best meet the identified needs. The activities involved in providing these services include traffic law enforcement, crime prevention and detection efforts, criminal investigation, apprehension of violators, appropriate communications, animal control, and related activities.

The overall mission of the Police Department is to enforce laws in a legal, ethical, and equitable manner; and to provide timely and effective responses to both emergency and non-emergency calls for service.

## Program Summary:

The Inspection Department provides routine code enforcement activities to protect the public health, life, safety, and property through the enforcement of Building Codes, City Ordinances, and State laws. The Department also encourages orderly development through the administration of the Zoning and Subdivision Ordinances.

The activities involved in providing these services include inspecting residential, commercial, and industrial construction to make sure that it complies with the Building, Electrical, Plumbing, and Mechanical Codes. It provides staff support for the planning and Zoning Commission, Board of Adjustments, and Housing Standards Commission as they review issues relating to the various codes. The Department also handles the inspection of nuisance matters such as weeds and junk cars and then follows through on the notification and cleanup process to reduce the hazards to public health created by this type of conditions. In addition, the department provides for the inspection of food establishments through the South Plains Public Health District.

The main mission of the Department is to promote the public safety and welfare by enforcing all related Construction codes, Zoning ordinances, and Nuisance ordinances in an efficient, effective, and equitable manner.

## Program Summary:

The Information Technology Department is responsible for all aspects of the City's computer and communications technologies; including computer and communications hardware, software, network, and computer systems. This service is provided by a third party, Blue Layer IT, which works with department heads to identify technology needs, develop and recommend solutions, and implement the new technologies. Blue Layer IT is involved in developing, analyzing, and recommending computer hardware and software applications, systems and specifications, and administers those systems once in place. Overall responsibility includes assuring compatibility and networking of the numerous applications required by various City departments.

Blue Layer IT continuously monitors the rapidly expanding field of information technology and recommends new applications, technologies and systems that appear to provide opportunities for improving overall organization operations.

## Program Summary:

The Community Development Department provides for the administration of a variety of community improvement projects and programs including special one time projects, grant programs, and ongoing community improvement projects. Under the direction of the City Manager, the Assistant City Manager provides highly responsible, professional management direction to departments in the proper development, implementation, and administration of city programs and operations.

The Assistant City Manager also assists in the development and management of the annual operating budget, interdepartmental activities, and provides key support and direction in major construction, research, and planning projects. The Administrative Aid provides secretarial and clerical support for the City Manager, Assistant City Manager, Director of Parks and Grounds, Main Street Manager, and other departments as needed. The department also implements and administers other special projects and services as needed, including providing support to various city boards and committees.

In 2016 the City contracted with the Levelland Chamber of Commerce to administer the Keep Levelland Beautiful Program. Operating under a contract for services the Chamber will operate the program in accordance with the policies and guidance of the City. The Keep Levelland Beautiful expenses are included in the Professional Services line item.

<b>TOTAL</b>	<b>\$ 163,238</b>	<b>\$ 169,861</b>	<b>\$ 167,230</b>	<b>\$ 175,734</b>

## Program Summary:

The Economic Development Department is responsible for directing the community's economic development efforts. The Executive Director is hired by the Levelland Economic Development Corporation (LEDC) Board of Directors under the supervision of the City Manager. The City and LEDC each engage in economic development activities and agree to make available their respective personnel and facilities necessary to perform all economic development activities and programs for the benefit of the community. The LEDC reimburses Department 417 for the actual cost of payroll and benefits and any actual cost associated with the LEDC. The LEDC is an Economic Development Cooperation created under the Economic Development Corporation Act of 1979, as amended, its Articles of Incorporation, and By-laws and is funded through a 3/8 cent sales tax. Other economic development program expenses which are paid by the LEDC are included in the City's Budget in Fund 22.

The overall mission of this Department is for the promotion and development of new and expanded business enterprises; with the LEDC's emphasis on industrial and manufacturing and a cooperative economic development effort with the City for the broader benefit of the community. The LEDC staff through the direction of the Board of Directors approves an annual economic development plan outlining its activities and programs.

## Program Summary:

The Levelland Municipal/Hockley County Airport is jointly owned by the City of Levelland and Hockley County and is classified as a General Business Airport by the Federal Aviation Administration and the Texas Department of Transportation. The City and County each have an equal interest in the facility and all major projects such as capital improvements or large maintenance and rehabilitation projects are funded on that basis. In order to simplify the day to day operations of the Airport and to give people a single contact point on most Airport related questions, the City of Levelland provides the administrative oversight and most of the routine maintenance done at the Airport. Airport revenues go into the Airport Operating Fund and are used for the general operation of the Airport. Any shortfalls must be made up by the City and County.

In order to provide on site services such as fuel sales and handling hangar rentals the City and County have contracted with a private individual to serve as Airport Manager. This individual is also an FBO ( Fixed Base Operator ) on the airport. The Airport Manager handles the actual daily operations at the Airport, coordinates maintenance activities with the City, and works with the State and Federal Aviation Departments to make sure that all requirements are being met.

Airport and runway construction and major maintenance is very expensive and would not likely be possible without State and Federal grants. About every five to seven years a major rehabilitation project - usually well over \$1 million - is required to keep the airport safe and meeting federal airport standards. These improvements are largely funded by state and/or federal grants, with grant funds usually covering 90% of the project costs. The local required match is shared equally by the City and the County. Smaller grant programs, such as the annual Routine Airport Maintenance Program (RAMP), is normally able to be handled through the operating fund.

Most of the airport property was purchased decades ago prior to the discovery of significant petroleum reserves in Hockley County so the mineral rights were transferred with the property to the City and County. In FY 2014-15 petroleum development occurred in the area and the airport began receiving oil royalties on those mineral rights. The royalties are paid directly to the City and County with each receiving 50% of the payments. The City and County each hold their 50% share of airport property royalties in their respective General funds. In order for the airport to remain eligible for future state and federal grant funding, these royalties, as with all airport income, must be used for airport purposes only. The City and County have each committed to this and each has agreed to transfer an equal amount back to the Airport operating fund when additional funds are needed by the airport.

The overall mission of the Airport is to meet the local aviation needs of the community and have adequate facilities available to handle the corporate flying needs of the business community in a safe, effective, and efficient manner.

The Capital Financing Fund was established in 1993 when the City sold its used garbage equipment and dumpsters to the private company taking over garbage collection and disposal. Prior to that time major purchases were financed either through the issuance of bonds or, in the case of equipment purchases, through lenders using lease purchase arrangements. The fund has proven very successful as the 'bank' to provide internal financing for equipment and major projects and over the years the City has added other funds to the program.

As an internal service fund the Capital Financing Fund makes no direct expenditures but transfers funds to the purchasing fund so that the asset being purchased is accrued to the proper inventory. An amortization schedule is established and the purchasing fund repays the Capital Financing Fund. A reasonable interest rate is charged so that the Capital Financing Fund grows over time.
